Dialogue and Debate: The Role of Hospitals in an Evolving Health Care System **Presentation Hall**

Building on the previous session, we now shift our focus to Ontario. A panel of hospital leaders will join our experts for an interactive facilitated discussion. Reflecting on learnings from the past three years and considering future trends, we will engage in an open and candid conversation on the vital changes required to ensure the sustainability of our health system. Our panelists will take a deep dive into the evolving role of hospitals, and consider their role in facilitating change, fostering innovation and strengthening partnerships. Delegates are invited to join in by raising considerations for dialogue and debate.

12:00 pm	Lunch The Bow
1:00 pm	Leadership Matters: An Afternoon of Spirited Discourse with Hospital Leadership Hosted by Proximity Institute Presentation Hall PR::XIMITY Proximity Institute has designed a fast-paced afternoon drawing on a rich array of voices from inside the sector and beyond. Anchored in Proximity’s purpose of enabling effective leadership, four themes will be touched on throughout the afternoon: leadership continuity for the hospital sector, considerations around the CEO profile of the future, regenerating leadership teams amid ongoing uncertainty, and what may be unexpected legacies of the past three years.
4:30 pm	Program Adjournment
5:30 pm	Reception The Bow A key element of this year’s summit is the opportunity for informal engagement and networking among colleagues. To facilitate this, delegates are invited to a pre-dinner reception during which time a special exhibit themed <i>Humanity in Our Hospitals</i> will showcase some carefully curated images from Ontario hospitals. Following the reception, delegates are invited to dinner and a post-dinner social.
