\*IMPLEMENTATION IN PROGRESS

Various public health units (PHU) who do not share data participate in the IDS network to support their planning through access to 'de-identified' data.

While IDS supports many OHTs across the province, the following are participating as whole OHTs and are actively adding their health service partners data:

- Guelph Wellington OHT
- Greater Hamilton Health Network OHT
- Huron Perth OHT

- Oxford and Area OHT
- Central Ontario Specialized Network (COSH)
